BRIEF ABSTRACT OF LETTER.

Reports with reference to G.O no 6519 S & 10.1.08 that the existing rules re Concessions granted to poor persons proceeding to the Pasteur Institute at Coonoor for anti rabic treatment are working fairly well and have not so far shown to be wanting in any respect

NOTES AND ORDERS.

In passing orders on the letter, the following points may, if appd be considered:—

1. The medl officers despatching patients to the Pasteur Institutes at Kasauli were directed to report to Govt the names &c of such patients

Vide para 4 of G.O no 11810-54 med 132-04-10 & 23.6.05. Such reports are being received from the medical officers direct even in the case of patients sent to the Institute at Coonoor since established though there is no express instruction issued in this behalf in G.O no 9274-314 med 229-06-2 & 9.4.07. As the bills for expenditure incurred on account of patients sent to the Institutes for anti rabic treatment are drawn by the med officers concerned after they are audited by the Comptroller, and charged to the provision made for the purpose annually in the med budget, there seems to be no purpose served in receiving such reports at the Secretariat and the same may, if approved be directed to be discontinued.

(2) In G.O no: 11810-54 med 132-04-10 & 23.6.05, officers not lower in rank than a Lib Asst Surgeon are empowered by name to grant to the patients certificates entitling them to the concessions allowed by the Railway Companies. If approved a general authority may be granted to all med officers not lower than of & above the grade of Lib Asst Surgeon, to despatch patients on their own responsibility, after due enquiry

(3) In G.O no 6519 Med 126-07-2 dt 10.1.08 the Chief Surgeon was informed that the definition of the term "Indigent person" adopted by the Madras Govt for purposes of granting Concessions to individuals proceeding to the Pasteur Institute at Coonoor for treatment and the rule obtaining in Madras regarding to the Distl & municl funds the expenses of treatment of indigent persons will be adopted when the rules are revised in due course. These points may now be considered.

(4) Amounts due on account of maintenance charges of patients are remitted by D.M.S. officers to the Director of the Pasteur Institute at Coonoor by M.O. The Comptroller in his U.O no 2793 29.10.08 intimated there will perhaps be no objection to payments being arranged to be made to patients by the Director of the Pasteur Institute being effected subject to adjustments in due course. The Comptroller may if agreed be asked to ascertain definitely from the Accountant Genl Madras if the same can be done in the case of patients undergoing treatment in the Institute at Coonoor.

2 Before orders are passed on the letter

i "No person or member of the family of a person who pays more than Rs 50 as house rent per annum or whose income from any other source than land exceeds Rs 15 a month shall be classed as indigent; nor any person who has at the time or can obtain from relatives the means of paying his expenses" shall be classed as indigent.

But it would appear necessary that the Madras Government should issue orders to t is effect and authorise the Director of the Institute to present the necessary bills at the Treasury for payment.

3. I am also to add that the Durbar intend to issue a set of revised rules regarding the grant of Concessions to persons proceeding to the Pasteur Institute for anti rabic treatment and they are now in communication with the District and Municipal Boards in the State

THE HON'BLE THE RESIDENT IN MYSORE.

## *Notification.*

*Bangalore, the 24th March, 1909.*

*No. 25.* In supersession of this office Notification No. 14, dated 14th February 1908, the Hon'ble the Resident is pleased to issue the following rules regarding the grant to Government servants and to indigent persons unconnected with the public service, in the Civil and Military Station of Bangalore, of concessions designed to enable them when bitten by a rabid animal to proceed without delay to the Pasteur Institute at Coonoor for treatment.

*Concessions to Government Servants.*

I. Any Government servant who has been bitten by a rabid animal, and who is too poor to proceed to Coonoor at his own expense may, provided that he is drawing not more than Rs. 100 a month, be granted by the officer hereinafter authorised to grant the concession:

(i) his actual travelling expenses to Coonoor and back, namely, (*a*) a single fare each way by railway of the class by which he is entitled to travel on duty; (*b*) for journeys by road the actual cost of transit, not exceeding the amount admissible under rule. The expenses for the return journey will be paid to the patient at Coonoor, after the treatment has been undergone, by the Treasury Officer at that station on production of a discharge certificate from the Director of the Institute;

(ii) an advance of one month's pay;

(iii) one month's casual leave, or, if the officer's absence gives rise to the necessity for the appointment of a substitute, one month's extra privilege leave, any leave required in excess being treated as ordinary privilege or sick leave.

II. Any Government servant who has a difficulty in finding at once the means to enable him to proceed to the Institute, and whose pay exceeds Rs. 100 but does not exceed Rs. 500 a month, may be granted an advance not exceeding the amount admissible under Rule I (i) and may also be given the concessions specified in Rule I, (ii) and (iii).

III. All advances made to Government servants under Rules II will be recovered in three equal monthly instalments as provided in Article 137 (*b*) of the Civil Account Code, provided that the Hon'ble the Resident may permit repayment in more than three but not more than twelve instalments when he considers that repayment in three instalments would cause hardship.

*Concessions to Indigent Persons.*

IV. Any indigent person unconnected with the public service or any Government pensioner drawing a pension of not more than Rs. 100 *per mensem* who is unable, in the opinion of the officer hereinafter authorized to grant the concession, to proceed to the Pasteur Institute at Coonoor at his own expense, may be granted his actual travelling expenses to Coonoor and back, namely, (*a*) a single third class fare each way by railway, (*b*) for journeys by road the actual cost of transit, (*c*) maintenance allowance at the following daily rates:—

Europeans and Eurasians Re. 1 during the journey and Rs. 2—8—0 during treatment; Natives 4 annas during the journey and 6 annas during treatment.

V. A third class pass or ticket from Bangalore to Coonoor and back by the shortest and cheapest route on the terms allowed by the Railway Company will be procured for the patient by the officer who despatches him to Coonoor.

VI. The patient may receive in advance the actual cost of transit for journeys by road, when necessary, and maintenance allowance for the period of his journey to Coonoor.

VII. The maintenance allowance of the patient while under treatment at Coonoor and for the period of the return journey and also, if necessary, the cost of transit for journeys by road on the return journey will be disbursed by the Treasury Officer at Coonoor, on production of a certificate from the Director of the Institute that the patient has been under treatment at the Institute

VIII. Women, children under 16 years of age, and men who are, by reason of age or other sufficient cause, incapable of travelling alone, may be allowed an attendant to accompany them to the Institute at Coonoor. Any such attendant will be granted—

(i) travelling expenses and maintenance allowance at the rate sanctioned for patients;

(ii) wages, not exceeding four annas a day, in cases where the despatching officer is satisfied that the patient is unable to pay the daily expenses of the attendant. The charges of the attendant will be borne by the fund to which the charges on account of the patient are debited. Only one attendant may be sent at the public expense with each patient or patients of the same family.

IX. The despatch of each indigent person to Coonoor for treatment at the public expense will at once be reported to the President of the Municipal Commission. The report should state;

(a) the amount of travelling allowance (by rail or road) advanced, and

(b) the number of days for which and the rate at which maintenance allowance has been advanced.

*General*

X. When any person is bitten by a rabid animal and is desirous of proceeding to the Pasteur Institute at Coonoor but is unable to meet the expenses of the journey, he should appear before the Residency Surgeon, Bangalore, or, in his absence, before the Senior Assistant Surgeon of the Bowring Civil Hospital, who will after satisfying himself that the case is a fit one for treatment at a Pasteur Institute grant him a certificate accordingly.

Such person will thereupon without loss of time appear before the Collector and District Magistrate, Civil and Military Station, or in his absence before the 2nd Magistrate, who, after satisfying himself that the patient is unable to proceed to the Pasteur Institute at his own expense and is deserving of help from public funds, authorise him to proceed at once to the Institute at Coonoor and arrange for the grant of the concessions specified in rules I, II, IV and VIII, as the case may be.

XI. The charges incurred in respect of the persons referred to in rules I and II will be debited to or advanced from the revenues of the Assigned Tract, as the case may be, while the expenditure incurred in respect of the persons falling under rules IV and VIII will be met from the funds of the Municipal Commission of the Civil and Military Station of Bangalore.

XII. When expenses for the journey to Coonoor are advanced to a Government servant or indigent person by the Government officer alluded to in Rule X an intimation of the fact should be sent forthwith and, if possible, with the patient, by that officer direct to the Director of the Pasteur Institute stating:—

(*a*) whether the person relieved is (*i*) a Government officer, or (*ii*) indigent person;

[NOTE.—When the information about the incidence of the charge is not available at once it should follow the intimation to the Director as soon as possible.]

(*b*) the class to which the person, if a Government servant has been treated as belonging for the purpose of travelling allowance;

(*c*) the amount of travelling allowance (by rail and road) advanced;

(*d*) the number of days for which and the rate at which maintenance allowance has been advanced.

XIII. Such expenses will be treated as final charges, not advances, under the head "32—Miscellaneous—Miscellaneous charges for the treatment of patients at the Pasteur Institute" and will be finally passed in audit on receipt of the Director's certificate of treatment.

XIV. The Director's certificate should be prepared in duplicate: one copy of it should be despatched by him to the Government servant responsible for the original advance and the other copy should be attached to the bill for travelling allowance for the return journey which will be presented for payment at the Coonoor Treasury.

XV. The bill for travelling allowance for the return journey should be at the same rates as were allowed for the journey to the Institute and should also be supported by the original intimation received from the officer who is responsible for the original advance.

XVI. Maintenance charges for days spent at Coonoor and for the days of the return journey may be advanced on separate bills drawn by the Director, who will certify thereon the class to which the patient belongs and the days that he was under treatment or will be occupied in the journey.

XVII. Charges under rule XV will be finally passed by the Accountant-General of Madras, if supported by the certificate and intimation referred to, and those under rule XVI on the Director's certificate and signature. All such charges will be treated as final charges under a special detailed head, *viz.*, under the head "32 Miscellaneous—Miscellaneous charges for the treatment of patients at the Pasteur Institute," except where the cost is debitable to municipal funds, in which case the charges will be passed on to the Collector and District Magistrate of the Civil and Military Station for recovery.

XVIII. Any recoveries of overdrawals to be effected in consequence of a Government servant having been allowed travelling allowance in excess of that to which he was entitled will be made by the Accountant General, Madras.

XIX. The Director may make advances to indigent persons who come to Coonoor at their own expense but are unable to maintain themselves there or to pay for their return journey. In such cases, the Director should communicate with the Collector and District Magistrate, Civil and Military Station of Bangalore and inquire whether the amount advanced can be recovered or is irrecoverable. On receipt of intimation on this point the Director may draw the amount from the treasury, using the Collector and District Magistrate's letter as a voucher. If the amount is recoverable, the Accountant-General, Madras, will pass on the debit to the Collector and District Magistrate of the Civil and Military Station: otherwise the charge will be adjusted finally in his books under the head "32 Miscellaneous—Miscellaneous charges for the treatment of patients at the Pasteur Institute, Coonoor."

2. Letter No. G. 609, dated the 16th April 1909, from the Senior Surgeon, reporting, with reference to Government Order No. 6519—Med. 126-07-2, dated the 10th January 1908, that the rules contained in the Government Orders read above have worked fairly well and have not so far proved to be wanting in any respect.

3. Communications from the Deputy Commissioners of Districts and Presidents of District and Municipal Boards on the subject of debiting to the District and Municipal Funds the expenses of anti-rabic treatment of indigent patients sent to the Pasteur Institute at Coonoor for treatment and the expenses of their attendants.

No. 631-80—MED. 2-08-95, DATED BANGALORE, 22ND JULY 1911.

ORDER THEREON.—In view of the fact that the majority of the District and Municipal Boards, who were consulted in the matter, are willing to meet the charges in connection with the anti-rabic treatment of indigent persons unconnected with the public service, residing within their jurisdiction, Government direct that, with effect from the 1st July 1911, the charges in question be debited to the District and Municipal Boards concerned, necessary provision being made therefor in the budget estimates of the respective Boards.

2. As the Madras and Southern Mahratta Railway Company have since extended the concession of granting free return 3rd class tickets to Coonoor and back to indigent patients and their attendants proceeding from the Mysore State to the Pasteur Institute at Coonoor on the requisition of a Government servant duly authorised by the Mysore Government in that behalf, and as experience has suggested that the existing rules require to be revised in some respects and consolidated, the Government are pleased to prescribe the rules hereto appended to regulate the grant to Government servants and to indigent persons unconnected with the public service in the Mysore State, of concessions designed to enable them, when bitten by a rabid animal, to proceed without delay to the Pasteur Institute at Coonoor for treatment. This order will supersede all previous orders of Government on the subject.

*Rules for the grant of concessions to Government servants and to indigent persons not employed in the public service to enable them, when bitten by a rabid animal, to proceed to the Pasteur Institute at Coonoor for treatment.*

I. CONCESSIONS TO GOVERNMENT SERVANTS.

1. Any Government servant who has been bitten by a rabid animal and who is too poor to proceed to Coonoor at his own expense may, provided that he is drawing not more than Rs. 100 a month, be granted:—

(*i*) His actual travelling expenses to Coonoor and back, *viz.*, (*a*) a single fare each way by railway of the class by which he is entitled to travel on duty

(*b*) for journeys by road or river, the actual cost of transit not exceeding the amount admissible under rule. The expenses for the return journey will be paid to the patient at Coonoor after the treatment has been undergone.

(*ii*) An advance of one month's pay.

(*iii*) One month's casual leave or if the officer's absence gives rise to the necessity for the appointment of a substitute, one month's extra privilege leave, any leave required in excess being treated as privilege or sick leave.

2. Any Government servant who has a difficulty in finding at once the means to enable him to proceed to the Coonoor Institute and whose pay exceeds Rs. 100 but does not exceed Rs. 500 a month, may be granted an advance not exceeding the amount admissible under Rule 1 (*i*) and may also be granted the concessions specified in I (*ii*) and (*iii*) above.

3. Any Government servant drawing not more than Rs. 500 a month may, if a member of his family is bitten by a rabid animal and he has difficulty in finding at once the means of sending him or her to a Pasteur Institute, be granted an advance not exceeding the amount admissible under Rule 1 (*i*) and may also be given the concession specified in Rule 1 (*ii*).

4. Government servants drawing more than Rs. 25 per mensem proceeding to the Pasteur Institute for treatment should bear the cost of their maintenance both during the journey and while under treatment at the Institute. Those drawing not more than Rs. 25 per mensem will be granted a maintenance allowance at the rate of daily allowance admissible.

5. The officers of the Mysore State mentioned in Appendix A are authorised to grant the abovementioned concessions to Government servants employed under them or subject to their authority.

6. The despatch of every Government servant to the Coonoor Institute for treatment should at once be reported to the officer immediately superior to the officer by whom the patient is sent and by that officer, if he is not the Head of the Department, to the Head of the Department. Where the Head of the Department himself sends the person, no further report is required. A report should also at once be made direct to the Director of the Pasteur Institute, Coonoor, stating—

(*a*) the class to which the patient has been treated as belonging for the purpose of travelling allowance ;

(*b*) the amount of travelling allowance (by rail, road or river) advanced; and

(*c*) the number of days for which, and the rate at which, maintenance allowance has been advanced.

7. Every Government servant despatched to the Pasteur Institute shall, on discharge from it, obtain a certificate from the Director of the Institute and produce it before the Head of his office.

8. The travelling allowance for the return journey shall be at the same rates as were allowed for the journey to the Institute.

9. Grants for travelling and maintenance allowances of Government servants should be debited to a special detailed head, *viz.*, to "26. (9) Miscellaneous Charges for the treatment of patients at the Pasteur Institute."

10. All advances made to Government servants under Rules 2 and 3 above, shall be recovered in three equal monthly instalments as provided in Article 137 (*b*) of the Civil Account Code, provided that the Head of the Department concerned, may, with the previous sanction of Government, permit repayment in more than three but not more than twelve instalments, when he considers that repayment in three instalments would cause hardship. Any recoveries of overdrawals to be effected in consequence of a Government servant having been allowed travelling allowance in excess of that to which he was entitled, will be made by the Comptroller, Mysore Government.

The amount required for the despatch of a patient may be drawn from any Treasury in the Province on bills prescribed for salary, travelling allowance and contingencies with full particulars noted therein. There is no objection to the amounts being advanced for this purpose from the permanent advance, the recoupment being made by cashing the bills above referred to as soon as possible.

*Local Fund and Sanitary (Medical), dated 22nd July 1911.*

CONCESSION TO INDIGENT PERSONS NOT EMPLOYED IN THE PUBLIC SERVICE.

12. Any indigent person not employed in the public service who has been bitten by a rabid animal, and who, in the opinion of any officer authorised to grant the concession, is unable to proceed to the Pasteur Institute, Coonoor, for treatment at his own expense, may be granted his actual travelling expenses to Coonoor and back, *viz.*, (*a*) single 3rd class fare each way by Railway, (*b*) for journeys by road or river, the actual cost of transit, (*c*) maintenance allowance at the following daily rates:—

Europeans and Eurasians one rupee during the journey, and Rs. 2-8-0 during treatment; Indians four annas during the journey and six annas during treatment.

Provided that for the purpose of this rule, no person or member of the family of a person who pays more than Rs. 50 as kandayam per annum or whose income from any other source than land exceeds Rs. 15 per mensem, shall ordinarily be classed as indigent; nor shall any person be classed as indigent who has at the time or can obtain from relatives, the means of paying his expenses.

A list of the officers in Mysore authorised to grant this concession, is given in Appendix B.

*Note.*—The Madras and Southern Mahratta Railway Company having kindly consented to grant free return 3rd class tickets to Coonoor to indigent persons sent to the Pasteur Institute at Government expense and allow the same concession to any attendant sent at Government expense, the same will be procured for the patient by the officer who despatches him to Coonoor. The form given in Appendix C shall be adopted when applying to Station Masters on the Madras and Southern Mahratta Railway for free return 3rd class tickets to Coonoor.

13. The patient may be paid in advance the actual cost of transit for journeys by road or river, when necessary, and maintenance allowance for the period of his journey to Coonoor. He should take with him to Coonoor and produce before the Director of the Institute a certificate signed by the officer despatching him that he has been sent to the Institute for treatment at the expense of the Government of Mysore.

14. The maintenance allowance of the patient while under treatment at Coonoor and for the period of the return journey and also, if necessary, the cost of transit for journeys by rail, road or river, on the return journey will be disbursed to the patient at Coonoor.

15. The travelling allowance for the return journey shall be at the same rates as were allowed for the journey to the Institute.

16. Women, children under 16 years of age and men who are, by reason of age or other sufficient cause, incapable of travelling alone, may be allowed an attendant to accompany them to the Institute at Coonoor. Any such attendant shall be granted (*i*) travelling expenses and maintenance allowance at the rate sanctioned for patients and (*ii*) wages not exceeding four annas a day in cases where the despatching officer is satisfied that the patient is unable to pay the daily expenses of the attendant. The charges of the attendant will be borne by the fund to which the charges on account of the patient are debited. Only one attendant may be sent at the public expense with each patient or patients of the same family.

17. The despatch of each indigent person to Coonoor for treatment at the public expense should at once be reported to the Director of the Institute and to the President of the Municipal or District Board concerned, and in every case a report should also at once be sent to the Comptroller, Mysore Government.

The report should state (*a*) the amount of travelling allowance (by rail, road or river) advanced, (*b*) the number of days for which, and the rate at which, maintenance allowance has been advanced, and (*c*) whether the cost is debitable to the District or the Municipal Funds.

18. The amount required for the despatch of a patient may be drawn from any Treasury in the Province on presentation of a bill signed by the officer empowered to send the patient. The bill must contain the following particulars :—

(1) Name of the patient.

(2) Name of the attendant, if any.

(3) Station from, and the date on, which despatched.

(4) Amount required :—

(*i*) Travelling allowance, (*ii*) maintenance charges, (*iii*) wages of attendants. There is no objection to the amounts being advanced for this purpose from the permanent advance, the recoupment being made by cashing the bills above referred to as soon as possible.

19. The expenses incurred in the treatment of indigent persons and the expenses of their attendants should be debited to (*a*) Municipal Funds where the person sent resides within a Municipality and (*b*) to District Funds where the residence is outside a Municipality.

The charges in connection with despatch of indigent patients and their attendants to Coonoor will be shown in the District Fund and Municipal accounts under a separate head "Charges for treatment of indigent patients in the Pasteur Institute."
